## FROM THE EUROPE & MIDDLE EAST DIRECTOR **JONATHAN LONG**

In Matthew 28, God gives us one mission. He commands us to go and make disciples of all nations. This charge includes many expressions, such as planting churches, training leaders, and raising up missionaries, but the engine of all of these is the making of disciples who multiply.

In One Mission Society's Europe & Middle East region, we seek to see lives transformed by the Gospel of Jesus Christ and people mature as his disciples. We then hope to partner with these people in reaching out and transforming their communities. It's what we live for.

If you are passionate about seeing disciples raised up to change their world, then I would invite you to consider the following opportunities to partner with us in our one mission.
