

News January 2023

Thank God for your support and the generosity of all the people who responded to the invitation to donate bonds for the education of our children.

Thus, we continue with the typical activities at the beginning of the school year:

- Boys and girls started their schools. Complying with tasks and even with evaluations.
- Virtual English classes every Thursday afternoon.

- Training workshops at the Club Yes project, which is an initiative for training in values and productivity.
- On weekends we have soccer training for the boys and volleyball for the girls.
- A workshop with the parents of the boys and girls, so that they have tools to raise their children.
- Visits of the godmothers that lifted the hearts of the boys and girls.

Don't fear, because I am with you;
don't be afraid, for I am your God.
I will strengthen you,
I will surely help you;
I will hold you
with my righteous strong hand.
Isaiah 41:10
