The One Mission Society Europe region has a vision to transform lives in dynamic communities. As an intern, you'll serve in your area of focus while being part of localized summer ministry experiences. You'll also be poured into by a team of missionaries as you learn more about your gifts and passions. Our hope for the internship experience is you will grow in your relationship with God, expand your skill set, be more prepared to disciple people from other cultures, and perhaps discern a long-term call to missions and ministry.

During your time on Embark, you will:

- Serve with One Mission Society, a global mission organization.
- Build relationships with youth and young adults.
- Receive mentorship from experienced missionaries.
- Work alongside a team of other like-minded OMS summer interns.
- Expand and hone your skill set.
- Grow in your ministry approach to evangelism, discipleship, and communicating your testimony.
